FAYAT GROUP

CMW Equipment is a professional full service equipment dealer serving Missouri and Illinois since 1956. Located in St. Louis with a parts warehouse, service department and a rental equipment fleet.

BOMAG PURPOSE BUILT COMPACTOR

- 10,000 hours warranty teeth = lower maintenance cost
- Industry-leading most tips per wheel, industry-leading 9.8" penetration
- Oscillation & articulation joint $\pm 15\%$ = best traction and compaction
- Overlapping wheel patterns = complete coverage + fewer passes
- Scrapers bars on all wheels = keep clean with constant contact
- Wire cutters on all wheels = no wire wrap down time
- High air intake = protects the engine
